

Wheels to add to the bike

Tires : All the wheels are equipped with tires from Continental GP4000, GP400, Gatorskin, Force, Attack or Vittora Corsa or Bontrager and Schwalbe one.

Discs: Standard issue discs are typically Ultegra Ice or Sram Centerline either 160 or 140 as per customer selection, Upgrade to Dura ace is 40 Euros.

Cassettes: Standard issue is Shimano Ultegra, Sram Force, upgrade to Dura ace or Red for 85 euros.

Axles: Wheels for rim brakes are delivered with the axles, Disc wheels are adapted to the axles of the bike chosen.

Weight: All wheel weights are indicative, without axle, disc or cassette.
